FREQUENTLY ASKED QUESTIONS

Over the past few weeks we have naturally received some questions from our bidders about how the buying process works. Largely we are operating as we always have been, we're simply not able to see you in the auction room when you bid. We've put together these frequently asked questions to help guide you through your auction purchase.

How do I register my interest in a property?

You don't need to register your interest in any of our lots. If you would like to bid you can submit a proxy, telephone or internet bidding form or if you would like to request more information you can submit the 'send enquiry' form from the property details page.

Do you have a video tour of the properties?

We have video tours on many of our lots which are all added to our online property details.

Is it right that I can now attend a viewing?

Yes. Following the Government's recent announcement, we are now able to carry out viewings on residential properties in Scotland.

How do I know if the property I'm interested in is available?

The status of the property will be highlighted in the property listing on our website. If a property has been sold, withdrawn or postponed we will mark it as such online. All properties remain for sale until contacts have been exchanged or a reservation contract has been entered into, at which point we mark it as sold on our website.

How do I get hold of the legal pack?

All legal packs are uploaded to our website. You can then click on the 'legal packs' link from the property details to register and view the documents. Sometimes we do not receive the legal packs immediately and therefore you should register via the 'legal packs' link to ensure you receive an email alert once they are uploaded.

Can you email me the legal pack?

We cannot email the legal packs, we recommend you register via our website to download them yourself. This is because we sometimes receive amendments and additions to the legal pack prior to the auction and in these instances you would be given an alert of the changes. This is the best way to ensure you know all the information on the property prior to bidding. If you need any help accessing the legal packs please call us.

Can I get any more information on a property?

All the details we have will be listed on our website, along with all the photos we have available. If you have a specific question

on the property or the area please submit the 'send enquiry' form from the property details page and we can enquire with the vendors on your behalf.

Can I get any more photos?

We will post all the photos we have for a property on our website. If you wish to obtain more photos, you can watch the video tour if it's available, book onto a viewing to take your own photos or submit the 'send enquiry' form and we can ask the vendors if they can take some more.

How do I bid?

You can bid by telephone, by proxy or via the internet. There is a form on the homepage of our website. You simply fill in your details, we will contact you for copies of your ID and for a method of payment for the deposit should you be successful.

Can I get a survey carried out?

Yes, if you wish to get a survey carried out you should ask your surveyor to call our office to arrange a suitable date and time.

Can I make an offer without an approved mortgage?

Yes you can. We do not need to see proof of funds when you bid on a property.

The lot I'm interested in is postponed, what now?

This is likely to mean the property isn't ready to be sold yet and will be offered in a future auction. Submit the 'send enquiry' form from the online property details page and we will advise you when the lot is being re-offered.

The lot I'm interested in is withdrawn, what now?

If property has been withdrawn it means we have been asked by the vendor not to continue to market it and therefore we are no longer able to sell it.

The property I'm interested in is sold prior, does that mean I can't bid?

Yes, I'm afraid it does. This means that the vendor has accepted an offer prior to the auction day and contracts have been exchanged or a reservation agreement has been entered into securing the sale.

The lot I wanted didn't sell in the auction, but I'm still interested in buying it

We continue to market any lots which didn't sell in the auction for a further four weeks. Once the lot has been offered and becomes an 'unsold lot' we are able to disclose the vendor's reserve price and accept offers from interested parties.

If you have a question that hasn't been answered here please call our team on 0333 016 4000 or email us at auctions@shepherd.co.uk.

6.2.2 Receive auction fees (including a Buyer's Fee);

6.2.3 Accept your bid for the lot;

6.2.4 Sign a contract of sale on your behalf when you are the highest bidder;

6.2.5 Repudiate a contract between you and the seller.

7. RESERVE PRICE

7.1 Unless otherwise stated, all lots are subject to a reserve price.

7.2 The reserve price is the price which must be reached before a lot will be sold. It can be changed at any time up to the time of the auction.

7.3 The reserve price is confidential, but it will be at or below the top band of the guide price (if the guide price is a range) or within 10% of the guide price (if the guide price is a single figure).

7.4 The seller can bid up to the reserve price but is not allowed to make a bid equal to or exceeding the reserve price. You accept and acknowledge that bids below the reserve price may be made by or on behalf of the seller.

7.5 The seller can choose to sell below the reserve price prior to auction.

8. GUIDE PRICE

8.1 The guide price is the marketing price or advertised price for the lot.

8.2 The guide price is not a guarantee or an indication of minimum value. The guide price is not necessarily the market value of the lot.

8.3 The guide price is not set with the help of a Chartered Surveyor and you must engage your own reports and surveys to satisfy yourself of the value of the property before you bid.

8.4 The guide price can change at any time up to the start of the auction.

8.5 The sale price can exceed the guide price. Sometimes, the sale price is lower than the guide price.

9. CHECKING FOR UPDATES

9.1 Lot information can be changed up to the time of the auction, including the property details, reserve price, and guide price. You must make sure you check for updates before you bid for a property.

9.2 If you fail to check for updates, you do so at your own risk.

9.3 You can check for updates by:

9.3.1 Checking the webpage for the lot;

9.3.2 Re-downloading the legal pack on the day of the auction;

SHEPHERD BUYER TERMS (SCOTLAND) TERMS AND CONDITIONS FOR BIDDING AND BUYING AT AUCTION

- 9.3.3 Checking any late announcements and addendum documents; and
- 9.3.4 Listening carefully to the auctioneer introducing the auction and the property.
- 9.4 When you bid, you are taken to have read any late amendments, addendums, or updates even if you have not done so. You are deemed to have full knowledge of any changes made to the information provided about the lot (including the legal pack).
- 9.5 The auctioneer will make announcements at the start of the auction and it is important that you listen carefully (as well as taking the steps listed in 9.3). After the initial announcements, the auction will proceed without delay and the auctioneer will not describe the properties in detail nor read out the special conditions or amendments.
- 10. TAX**
- 10.1 Stamp Duty Land Tax, Land and Buildings Transaction Tax, VAT, or other charges may apply to some sales. These costs will not be confirmed in the legal pack.
- 10.2 It is your responsibility to make your own enquiries and seek appropriate advice as to the possible tax consequences of the sale before you bid.
- 10.3 If you withdraw from the sale after you have won the lot because of tax consequences, you will lose any deposits or fees paid and the seller may take legal action against you.
- 11. THE LOT**
- 11.1 All the statements contained in particulars of sale or descriptions of the lots in documentation or given by our employees or agents are made without responsibility and you must not rely on them as statements or representations of fact. They do not represent any warranties whatsoever in relation to the lots. You must satisfy yourself as to the accuracy of the particulars before bidding.
- 11.2 Any suggested rental incomes and yields may be subject to any necessary energy efficiency improvements. Properties sold subject to tenancy require an EPC rating of D or higher. From 31st March 2025, properties sold subject to tenancy will need to be at least EPC band C. If the particulars of sale state that the property is suitable for investment it will be for the buyer to ensure that the relevant EPC requirements are met.
- 11.3 The lot is sold subject to any tenancies disclosed in the legal pack or lot description.
- 11.4 The lot is sold subject to any special conditions set out in the property description or associated documentation but otherwise is sold with vacant possession on completion.
- 11.5 All measurements quoted in descriptions of the lot are approximate. You must verify the measurements yourself by visiting the property and/or commissioning a professional report or survey.
- 11.6 All location plans published in the particulars of sale are subject to copyright and are only provided to enable prospective purchasers to locate the property. The plans are not to scale and are not intended to depict the interest to be sold. The boundary lines and numbers on the plans or photographs are provided only to allow purchasers to locate the lot and do not depict the interest to be sold. You must visit the lot and commission the relevant searches and reports.
- 11.7 When you bid on a lot you are deemed to have relied only upon your own knowledge or the advice of your own professionals or advisors, and not on the particulars of sale or description or photographs of the lot.
- 11.8 All Ordnance Survey maps are reproduced with the sanction of the Controller of HM Stationery Office (Crown Copyright Reserved Licence No LIG0183).
- 11.9 The services, kitchen and sanitary ware, electrical appliances and fittings, plumbing and heating installations (if any) have not been tested by us or by the seller. Before you bid on a property, you must undertake your own investigations, reports and surveys to clarify the suitability and condition of any such services.
- 11.10 The lot is also sold subject to the following, whether or not they are disclosed by the seller or are apparent from inspection of the lot or from the documents provided or from the legal pack or would have been obvious had you acted as a prudent buyer:
- 11.10.1 Matters registered or capable of registration as local land charges;
- 11.10.2 Matters registered or capable of registration by any competent authority or under the provisions of any statute;
- 11.10.3 Notices, orders, demands, proposals, and requirements of any competent authority;
- 11.10.4 Charges, notices, orders, restrictions, agreements and other matters relating to town and country planning, highways, or public health;
- 11.10.5 Rights, easements, quasi-easements, and wayleaves;
- 11.10.6 Outgoings and other liabilities;
- 11.10.7 Any overriding interest
- 11.10.8 Matters that ought to be disclosed by the searches and enquiries a prudent buyer would make, whether or not you have made them; and
- 11.10.9 Anything the seller does not and could not reasonably know about.
- 11.11 Where anything subject to which the lot is sold would expose the seller to liability you are to comply with it and indemnify the seller against that liability.
- 11.12 The seller must notify you of any notices, orders, demands, proposals, and requirements of any competent authority of which it learns after the contract date, but you must comply with them and keep the seller indemnified.
- 11.13 The lot does not include any tenant's or trade fixtures or fittings. If the special conditions state that chattels are included, you take them as they are at completion and the seller is not liable if they are not fit for use. From 1st April 2022 any new tenancies will require EPC band D and from 31st March 2025 all properties will need to have at least EPC band D.
- 11.14 You buy with full knowledge of the documents relating to the lot (whether or not you have read them) and the condition of the lot (whether or not you have inspected it and commissioned appropriate reports and surveys). This is why it is important that you take the steps set out in 7.2.
- 11.15 You admit that you are not relying on the information contained in the particulars of sale or on any representations made by or on behalf of the seller, except that you may rely on the seller's solicitor/conveyancer's written replies to written enquiries to the extent stated in those replies.
- 11.16 The seller cannot be required to transfer the lot to anyone other than the buyer.
- 12. SPECIAL CONDITIONS AND ARTICLES OF ROUP**
- 12.1 The lots are sold subject to any special conditions of sale, which are available for inspection at the office of the seller's solicitor/conveyancer, our office, in the auction room, and on our website.
- 12.2 The lots are sold subject to the Articles of Roup which are available for inspection at the office of the seller's solicitor/conveyancer, our office, in the auction room, and on our website.
- 12.3 The Special Conditions may include additional fees inserted by the seller, and are separate to those payable to SDL Property Auctions.
- 12.4 You must view and take into account the special conditions and Articles of Roup before bidding.
- 12.5 When you bid, you are taken to have read and accepted the special conditions and Articles of Roup, even if you have not done so.
- 13. SALE BEFORE OR AFTER AUCTION**
- 13.1 Lots may be sold before the auction.
- 13.2 If you submit a bid before or after auction and it is accepted, the same fee and deposit rules apply as if the lot had been sold at auction.
- 13.3 To submit a pre-auction bid, you must submit a formal written offer to us.
- 13.4 You cannot withdraw a pre or post-auction bid once a reservation contract has been signed or contracts of sale have exchanged.
- 13.5 If you submit a pre or post-auction bid, you are taken to have undertaken all measures that a prudent buyer would undertake, including all of the measures listed in Clause 5.2. If you fail to take appropriate measures before bidding, you do so at your own risk. You cannot later withdraw from the sale without incurring financial consequences.
- 13.6 We will relay your pre or post-auction bid to the seller, but we give no guarantees or warranties regarding the timing of relaying the offer.
- 13.7 We are not responsible for any of your costs or losses if a lot you were interested in buying is sold or withdrawn before auction.
- 13.8 If your pre or post-auction bid is accepted you may be asked to pay a 'closed bid' online, with the remainder of the monies owed being paid over the phone or by bank transfer. We will advise you of the method of payment required at our discretion.
- 13.9 If a pre or post-auction bid is accepted by the seller, you become liable to pay our fees and any applicable deposit when a reservation agreement or contract of sale is signed.
- 13.10 If a pre or post-auction bid is accepted by the seller, you must instruct solicitor/conveyancer within 7 days otherwise we (as agent for the seller) can treat the contract as at an end or sign the appropriate documentation (including a contract of sale or memorandum of sale) on your behalf. The seller may pursue you for losses and we may take action against you in respect of unpaid auction fees.
- 13.11 Whether the lot is sold before or after auction, this does not affect the terms of this Agreement.
- 14. BIDDING**
- 14.1 All bids are made in pounds sterling and are exclusive of any applicable VAT or other taxes.
- 14.2 We may refuse to accept a bid without giving a reason.
- 14.3 You cannot withdraw a bid.
- 14.4 By placing a bid, you become personally liable to fulfil the obligations of the winning bidder as set out in these terms and conditions, even if you bid as agent on behalf of somebody else.
- 14.5 If you bid on behalf of a company, you warrant that the company is properly constituted and has the necessary funds to and is able to purchase the property.
- 14.6 By placing a bid, you warrant that you have the necessary funds (or necessary finance) to pay the purchase price for the property along with the applicable Buyer's Fee or Reservation Fee (as applicable). If you withdraw from the sale due to lack of funds, you will lose your Reservation Fee, Buyer's Fee and deposit.
- 14.7 To bid remotely (not at the Auction venue in person), you must successfully complete all registration steps. Firstly, complete the bidding form via our website for the lots involved, complete an identity check, and provide your payment details to us up front. It is your responsibility to check that the bidding form has been received by the auctioneer and this can be done by phoning the office.
- 14.8 If you wish to bid by telephone (assuming you have fully completed the registration steps), just before the lot is due to be auctioned, attempts will be made to contact you by telephone. If successful, you may then compete in the bidding. You will speak to our staff on the phone, and your bid will be relayed to the acting auctioneer in real time through them. You accept that such contact is at your own risk. If we cannot make contact with you for whatever reason, including in the event of

SHEPHERD BUYER TERMS (SCOTLAND) TERMS AND CONDITIONS FOR BIDDING AND BUYING AT AUCTION

innocent mistake, you will not be able to personally participate in the Auction and we are not liable to you for any loss of opportunity.

- 14.9 If you wish to bid by internet (assuming you have fully completed the registration steps), after completing the registration steps, you will be sent a link via email to bid online. You can then log in and commence bidding when the intended lot is being offered. We do not accept any liability for any loss of opportunity should there be any interruption or suspension of internet services, which mean you cannot personally participate in the Auction.
- 14.10 In the case of written 'proxy' bids, the auctioneer's staff will compete in the bidding up to the maximum of the authorisation. If no maximum is inserted, the auctioneer's staff will not bid. We do not guarantee to regulate the bidding so that the maximum authorised bid actually falls to the written bidder.
- 14.11 Once authority to bid has been given, this is binding on you up to 11pm on the day on which the particular lot is auctioned. This is to allow for the possibility of a seller agreeing to sell post auction where the bidding has not reached the reserve.
- 14.12 The authority can only be withdrawn by written notification via email actually received by 5pm the day before the Auction, or delivered into the hands of the acting auctioneer in the Auction room half an hour before the start of that day's Auction. It is your responsibility to obtain a receipt of a copy of the withdrawal notification authorised by a representative of the Auctioneer. Without such a receipt, the authority stands, and any successful contract is binding on you.
- 14.13 If you submit a bidding form to us, and also bid in person at the Auction without having previously withdrawn the bidding form authority, the auctioneer is at liberty to accept such bid in addition to any bid from SDL Property Auctions staff as directed in your bidding form. This also applies if an agent bids on your behalf. We accept no liability whatsoever if the price achieved is the result only of this competition in bidding, without intervention from other bidders.
- 14.14 The receipt of a remote bid shall not in any way hinder the right of the seller (or auctioneer) to withdraw any lot or to sell prior to auction to a third party.
- 14.15 The auctioneer may disclose to the seller that a Remote Bid has been entered for the Property, but not the amount of the maximum bid.
- 14.16 The auctioneer may reject bids where there is any error, doubt, omission or uncertainty for any reason whatsoever. We also will not proceed with your bid if your instructions or authorisations are unclear. We accept no liability if we cannot accept your bid, and give no warranty, or guarantee, that a bid would be made on your behalf.
- 14.17 Neither the seller nor the auctioneer shall be under any liability to you in the event that the lot is not offered at the Auction.
- 14.18 When you make a bid, whether at the auction venue or remotely, you are deemed to have read all relevant terms and conditions, the sales particulars for the lot, and the contents of the legal pack (including any Special Conditions of Sale). You shall be deemed to have taken all necessary professional and legal advice, and to have made enquiries and have knowledge of any announcements to be made from the rostrum and any of the addendum relating to the relevant lot. The addendum can, and should, be checked prior to bidding by visiting the website.
- 15. THE WINNING BID**
- 15.1 The successful bidder is under a binding contract to purchase the relevant property when the auction for the lot comes to an end. For Timed Auctions conducted online, the timeslot for each lot will be displayed on the webpage. For Auction

Events, (hosted by a live auctioneer), the auction for the lot will end on the fall of the auctioneer's gavel.

- 15.2 As soon as the events mentioned in 15.1 (as appropriate) occur, you are immediately liable to pay the deposit and applicable fees. You immediately become responsible for insuring the property – the property is at your risk from the moment that you win the bid.
- 15.3 You must present to us your name and address on request and, if appropriate, the name and address of the person or company on whose behalf you were bidding.
- 15.4 We reserve the right to require you to provide a form of ID to us, on request, to hold as security (e.g.: passport or driving license).
- 15.5 You will not be entitled to take possession of the property or have keys to the property until completion of the sale.
- 16. LEGAL PACK & LEGAL ADVICE**
- 16.1 You must view the legal pack and home report for a lot. It is strongly recommended that you instruct a qualified professional to review this and raise any necessary enquiries before bidding.
- 16.2 The legal pack and home report can change at any time up until the auction starts so you must check the most recent version of the legal pack and the addendum before bidding on the property. Failure to check for changes to the legal pack will not be a valid reason for withdrawing from the sale.
- 16.3 The legal pack and home report is not prepared by SDL Property Auctions and we are not responsible for and give no guarantee or assurance as to the accuracy of its contents. We shall not have any liability to you for any inaccuracies contained in the legal pack. Where we display or provide documents provided or created by third parties, we do so only on the basis that we are not responsible for the accuracy of the information contained in that document.
- 16.4 If you require legal advice concerning the contents of the legal pack or conveyancing process, you must direct these questions to the instructed third party who is acting for the seller. SDL Property Auctions cannot provide legal advice concerning the contents of the legal pack or the conveyancing process, and we accept no liability for any inaccuracy or omission of legal advice provided by any third party.
- 17. YOUR OBLIGATIONS TO US**
- 17.1 You must:
- 17.1.1 Familiarise yourself with these terms in their entirety before bidding;
- 17.1.2 Provide all information we reasonably need to be able to complete the reservation agreement, memorandum of sale, or Minute of Preference and Enactment to effect the contract of sale when you are the winning bidder (we may sign on your behalf);
- 17.1.3 Sign the necessary documents including the Reservation Agreement or Minute of Preference and Enactment (as applicable) when you are the winning bidder (we may sign on your behalf);
- 17.1.4 Pay the applicable Buyer's Fee detailed in clause 4;
- 17.1.5 Pay the applicable deposit detailed in clause 4;
- 17.1.6 Complete the sale within the timeframes set out in clause 4;
- 17.1.7 Provide all necessary identification documentation to allow us to comply with our legal obligations.
- 18. OBLIGATIONS UNDER A CONTRACT OF SALE**
- 18.1 As soon as your bid is accepted at the close of the auction of an unconditional lot, a contract of sale is entered into.
- 18.2 Under the contract of sale, you must:
- 18.2.1 Provide all necessary information reasonably required to complete the

formal Minute of Preference and Enactment that, together with the Articles of Roup, forms the contract of sale;

- 18.2.2 Provide all necessary identification and proof of address documentation;
- 18.2.3 Take all necessary measures to complete the sale within 20 business days (or as otherwise stated in the special conditions);
- 18.2.4 Sign a formal written contract if requested to do so;
- 18.2.5 Pay any applicable Buyer's Fee (see clause 4);
- 18.2.6 Pay a deposit (see clause 4); and
- 18.2.7 Complete the sale (and pay the full purchase price) within 20 business days (or as otherwise specified in the special conditions).
- 18.3 If you fail to comply with the conditions set out above, we may (as agent for the seller) treat you as being in repudiatory breach of the contract of sale and so treat that contract as at an end. This means we can re-offer the property for sale. You will not be able to recover your deposit or Buyer's Fee and the seller will have a claim against you for breach of contract.
- 19. OBLIGATIONS UNDER A PRIVATE TREATY SALE**
- 19.1 The Auctioneer may, on a case-by-case basis as it deems appropriate, facilitate 'private treaty' sales, whereby the property may be sold outside of auction conditions. In the event of such a private treaty sale, the Auctioneer shall still be due the applicable Buyer's Fee/Reservation Fee as would be due in accordance with our auction terms.
- 19.2 The Auctioneer reserves the exclusive and absolute right to determine which party shall be liable for payment of the Buyer's Fee/Reservation Fee. If we determine that the liable party shall be you as the buyer, we shall issue both a memorandum of sale stating the agreed payment arrangement and an invoice for the applicable Buyer's Fee/Reservation Fee to your solicitor. You shall pay the full fee to your solicitor upon completion (in addition to the completion monies owed separately to the seller). The fee shall be held by your solicitor on trust and be transferred to us as Auctioneer without unreasonable delay.
- 19.3 As Auctioneer, we may work to facilitate such a private treaty sale in partnership with other agents. It shall not be a valid reason for you to refuse or reduce payment of the Buyer's Fee/Reservation Fee on completion to us on the grounds of the comparative amount of work performed by any other agent facilitating the sale. If you fail to pay the full fee in accordance with the arrangements stated on the memorandum of sale, we as Auctioneer reserve the right to take enforcement action against you with debt recovery agents.
- 19. DEPOSITS**
- 19.1 When you pay a deposit, we will hold your deposit as stakeholder for the seller (subject to clause 19.6)
- 19.2 The deposit is non-refundable. If you withdraw from the sale, you will not get your deposit back. We will pay the deposit to the seller's solicitor/conveyancer.
- 19.3 If the seller withdraws from the sale, we will return the deposit to you or your solicitor/conveyancer.
- 19.4 When the sale completes, we will pass the deposit to the seller's solicitor/conveyancer and it will be deducted from the purchase price of the property.
- 19.5 We may retain the Minute of Preference and Enactment signed by or on behalf of the seller until the deposit has been received in cleared funds.
- 19.6 If you pay the deposit but do not pay your Buyer's Fee on time, we may deduct the amount of the outstanding fees from the deposit. This means that the amount passed to the seller's solicitor/conveyancer will be the deposit less any

SHEPHERD BUYER TERMS (SCOTLAND) TERMS AND CONDITIONS FOR BIDDING AND BUYING AT AUCTION

fees that have been deducted and you will need to make up this difference when you pay the full purchase price.

- 19.7 Interest earned on the deposit (if any) will be passed to whoever the deposit is passed to.

20. PAYMENT

- 20.1 For Timed Auctions, fees and deposits must be paid before exiting the online bidding platform through our third-party provider Sagepay. You will be required to provide your card details to access the online bidding platform. Your card will then be charged automatically in the event that you place a winning bid, for the applicable fees and deposit. You will receive an automatic email confirming receipt of payment. The amount that will be automatically charged will be fixed at the point you place your bid, and is calculated in accordance with the guide price of the Property that applied at the time of placing your bid. If the guide price is subsequently reduced, SDL Property Auctions will issue a refund of the difference in monies taken. If the amount charged to your card does not equal the total payment required, you will then be contacted by a representative of SDL Property Auctions to pay the difference over the telephone.

- 20.2 For Auction Events conducted in-person at the auction venue, fees and deposits must be paid before leaving the auction venue.

- 20.3 For Auction Events conducted via livestream, fees and deposits must be paid immediately after a winning bid has been placed. Prior to the auction, we will email you to register your debit card details with our third-party provider, Stripe. Your payment details will be stored on their secure online payment platform. Payment will only be taken from you in the event of a winning bid. If you are the winning bidder, payment will be taken on the day of the auction. Our representatives will attempt to make a courtesy call to you before charging your debit card, however we reserve the right to process the payment owed if we cannot make contact for any reason.

- 20.4 We do not accept cheques.

- 20.5 You cannot use a credit card or cash to pay any part of the deposit.

- 20.6 If you fail to pay fees or the deposit by the specified timescales in 20.1, 20.2 or 20.3 as appropriate, we can (as agent for the seller) treat the contract of sale or reservation agreement (as applicable) as repudiated (terminated) and reoffer the lot; if we do this, the seller may take legal action against you. Alternatively, we may sign the appropriate documents (reservation agreement, memorandum of sale, or Minute of Preference and Enactment) on your behalf.

21. BETWEEN THE END OF THE AUCTION AND COMPLETION

- 21.1 From the date of the contract of sale the seller does not have a responsibility to insure the lot and you bear all risks of loss or damage unless the lot is sold subject to a tenancy that requires the seller to insure the lot or the special conditions require the seller to insure the lot.

- 21.2 If the seller is required to insure the lot, then the seller:

21.2.1 Must show you, on request, all relevant insurance details;

21.2.2 Must use reasonable endeavours to maintain the policy;

21.2.3 Gives no warranty as to the adequacy of the insurance;

21.2.4 Must, at your request, use reasonable endeavours to have your interest noted on the policy if it does not cover a contracting purchaser; and

21.2.5 Must hold on trust for you any insurance pay outs made under the policy, and you must, on completion, reimburse the seller for the cost of that insurance policy.

- 21.3 No damage or destruction of the lot, nor any deterioration in its condition, however caused, entitles the buyer to any reduction in price or to

delay completion or to refuse to complete.

- 21.4 You have no right to enter into occupation of the lot before completion.

22. PROOF OF IDENTITY AND RESIDENCE

22.1 We are required under the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 to verify the identity and residential address of our customers. We will therefore require you to provide proof of identification (such as a passport or driving license) and may request other supporting documentation at our discretion.

22.2 If we ask you for proof of identification and you do not provide the necessary documentation before the auction, we may prevent you from bidding and we will not be liable to you for any losses suffered as a result.

22.3 If you refuse to provide such identification, the sale will not go ahead, and you will lose any deposit, Reservation Fee or Buyer's Fee that you have paid.

22.4 We will use the information you provide to perform an electronic identity check, using third-party providers, such as Credas and Thirdfort. These providers will check the personal details supplied against their databases to verify your identity and residential address. This is not a credit check and will have no effect on your credit history. These third parties may also use your details in the future to assist other companies for verification purposes. By registering to bid, you consent to this electronic identity check being undertaken.

22.5 Where the deposit or fees are paid from a bank account in someone else's name, we may require that person to provide us with appropriate identification.

22.6 Where there is more than one buyer, we require all buyers to provide appropriate identification and undertake electronic identity checks as explained in 22.4.

22.7 If you are bidding as agent for someone else, we require form of authority signed by the potential buyer for you to bid on their behalf, together with appropriate identification from both you as agent and the principal. Electronic identity checks will be conducted on you both in accordance with 22.4. By signing this Agreement, you confirm that the principal is aware that this electronic identity check will be undertaken and understands the purpose for which we are processing their personal data.

22.8 If you are bidding as a representative of an organisation, we require all individuals exercising significant control over the organisation to provide appropriate identification and undertake electronic identity checks, as explained in 22.4. We may request additional information from you to identify such persons. All relevant parties affiliated with the organisation must comply with their obligations under section 22 of this Agreement before the sale can proceed.

22.9 If we ask you (or any affiliated individual involved in the purchase) for proof of identification/residency and you do not provide the necessary documentation before the auction, we may prevent you from bidding and we will not be liable to you for any losses suffered as a result.

23. CONFLICTS OF INTEREST

23.1 We are legally required to disclose to you any conflict of interest that we may have with the seller, and we are required to disclose to the seller any conflict of interest we may have with you.

23.2 If you think you might have a conflict of interest with us (for instance, because you or a family member works for SDL Property Auctions), please let us know as soon as possible so that we can comply with our obligation to notify the seller.

23.3 If we know of a potential conflict of interest between us and the seller, we will include it in the information about the property. Sometimes, we do not find out about potential conflicts straight away, so always check the property information

again before bidding.

24. WITHDRAWING FROM THE SALE

24.1 If you are the winning bidder, you are legally obliged to buy the property.

24.2 If you withdraw from the sale before completion, there will be several consequences:

24.2.1 You will lose any non-refundable deposit that you have paid;

24.2.2 You will lose any non-refundable Buyer's Fee that you have paid;

24.2.3 You will lose any non-refundable Reservation Fee that you have paid;

24.2.4 The seller may take legal action against you for breach of contract.

24.3 If you fail to complete the sale by the completion date, also known as the "Settlement Date", you will have ten additional days to complete as explained in the Articles of Roup which form part of these terms (see clause 25). After this time, the seller may rescind the contract and we can reoffer the property for sale without any obligation owed to you, and you will lose your non-refundable fees and deposits.

25. CONDITIONS OF SALE

25.1 When you buy at auction under an unconditional sale, you agree to be bound by the Minute of Preference and Enactment & Articles of Roup, which form part of and are in addition to these terms. The Minute of Preference and Enactment & Articles of Roup will be signed on your behalf under the authority provided in this Agreement. These documents can be viewed on SDL Property Auctions' website, or you can ask us for a copy. You must read the Minute of Preference and Enactment & Articles of Roup in full before purchasing a property through SDL Property Auctions. If you fail to do so, you will remain bound under these terms.

26. OUR LIABILITIES
