LOCATION

Nairn is a strategically located town in the Scottish Highlands, offering strong transport links and a supportive business environment. With close proximity to Inverness and key infrastructure such as Inverness Airport and the A96 trunk road, Nairn is well-positioned for industrial, logistics, and commercial investment. The town benefits from ongoing regional development initiatives and a growing focus on sustainable industries, making it an attractive hub for forward-thinking businesses looking to expand or relocate in the north of Scotland.

The site is located within Balmakeith Business Park approximately 1 mile to the east of Nairn town centre. Access to the sites is taken from Tom Semple Road the main thoroughfare through the business park which has direct connection to the main A96 trunk road leading west to Inverness (16 miles) and south east to Aberdeen (87 miles).

Neighbouring occupiers to the subject sites include G Capstick Timber Ltd, Jarvie Plant Group Ltd, Boiler & Valve Engineering Ltd, Black Isle Bronze, AB 2000 Plant and Machinery Hire and CAP Gemini UK Ltd.
