Location

1 BURLEY PLACE, COLLEGE MILTON, EAST KILBRIDE, G74 5LL

The subjects are located within the town of East Kilbride, approximately 10 miles southeast of Glasgow City Centre. The estimated population of East Kilbride is 75,000 people, making it the sixth largest town in Scotland.

The town benefits from excellent road links being approximately 4 miles east of Junction 5 of the M74 Motorway, which leads on to the wider national motorway network. The East Kilbride expressway provides direct access to both the M74 & M77 motorway and is located within close proximity to the subjects.

More specifically, the subjects occupy a prominent pitch on Burley Place which is situated in the heart of College Milton Industrial Estate.

The surrounding area consists of primarily industrial based occupiers with St James Retail Park being located within close proximity to the property.

Description

1 BURLEY PLACE, COLLEGE MILTON, EAST KILBRIDE, G74 5LL

The subjects form part of a terrace of industrial units within a single storey multi-let block. The subjects are of steel frame construction, surmounted with a pitched profile metal sheet covering.

The subjects have recently undergone an extensive refurbishment. This includes the subdivision of the property into 7 self contained units ranging from 1,005 sqft to 7,772 sqft.

Internally, the refurbishment includes the installation of a new toilet and kitchen block to the rear of each unit, and LED lighting throughout. The subjects are presented in 'move in' condition with walls and floors being freshly painted.

Externally, the works include modern cladding throughout as well as a new roller shutter door, and a new steel fire door being installed. Each unit will benefit from their own dedicated yard secured by way of a steel gate. In addition, CCTV will be in place throughout.
