Location

Dundee is Scotland's fourth largest city with an estimated population of 148,000 and a catchment population in the region of 515,000. The city is the regional centre for commerce, retailing and employment within Tayside, and is located on the east coast of Scotland with Aberdeen, Edinburgh and Glasgow all within 90 minutes' drive time.

Dundee is presently undergoing a one-billion-pound transformation to its waterfront which includes significant development not only to the city centre but also along riverside drive, to the airport and the surrounding area. The centrepiece to the waterfront development is the V&A Dundee, an international centre for design in Scotland, the first ever design museum in the UK outside London.

The subjects are located within the City Quay area of Dundee immediately to the south of the city centre, in an area which has undergone major redevelopment providing high quality office accommodation and residential dwellings.

The City Quay location is a 5-minute walk from the Dundee Bus Station and less than 10 minutes walk from the railway station and V&A museum.
