SHEPHERD
PROPERTY AUCTIONS

Location

FLATS 1 / 13 / 17, BLOCK C, 17 HAWKHILL,

DUNDEE, DD1 5BL

LOCATION

Dundee is located on the east coast of Scotland approximately mid way between Aberdeen (65 miles) to the north and Edinburgh (80 miles) to the south overlooking the Tay Estuary and has a resident population of around 155,000 persons and a catchment of some 235,000 persons. It is Scotland's fourth largest City and is the regional centre for employment, services and retailing within Tayside.

The subjects are situated within a mixed residential and commercial locality within Dundee City where surrounding properties comprise residential units, Dundee University campus and various commercial premises including retail and public houses. The subjects are convenient to most local amenities and public transport facilities.

DESCRIPTION

The subjects comprise 3 x 4-bedroom flats all with en-suite facilities.

The subjects form part of a mid terraced five storey building which accommodates twenty flats forming part of a 115-unit development.

It is understood the properties were constructed in approximately 2006.

The main walls would appear to be of steel / frame construction externally clad in concrete block and masonry infill with a render finish and facing brick features.

Description

PLANNING USE

The flats are open for occupation by students enrolled in full-time courses at a Higher or Further Education institution located within the Dundee Local Authority area. Outside education term times, the flats may also be occupied by business/conference delegates and tourist visiting the city. Details are available in the Legal Pack.

COMPANY MEMBERSHIP

Flat owners may apply to join, as members, Owners in Common (The Hub) Limited which has responsibility for management and maintenance (see opposite).

MANAGEMENT AND MAINTENANCE

The Legal Pack contains a document that sets out: -

- the company's approach to the management and maintenance of common parts, which includes a commitment to prioritise proactive long-term lifecycle maintenance as well as routine maintenance and repairs, recovered through a Service Charge payable by the owners on a proportional basis, according to the number of bedspaces owned.
- Budgeting is done annually for the operational expenditure and common parts maintenance.
- Repair works are carried out by retained on-site staff or external contractors, as appropriate.
