Location

2 EASTFIELD ROAD, DUMFRIES, DG1 2EQ

The property occupies an accessible position at the edge of the regional capital town centre.

Dumfries, with a population of around 33,000 is the largest town in Dumfries & Galloway as is therefore southwest Scotland's main shopping and administrative centre.

The town lies approximately 75 miles south of Glasgow and 34 miles northwest of Carlisle, occupying a strategic location at the intersection of the A75, A76, and A701 trunk roads.

The A709 provides the shortest link to the A74(M) / M6 motorway at Lockerbie, although the A75 and A701 offer alternative routes dependant on the direction of travel, with junctions at Gretna and Beattock, respectively.

The A75 also provides a link to the Northern Irish ferry ports at Cairnryan.

The subjects are located on the northeastern side of Eastfield Road, with a frontage onto Brooms Road which is one of the main arterial routes into the town centre and also provides a link to the A75 bypass.

The property is situated in a mixed-use district, with nearby commercial occupiers including Kwick-Fit, Morrisons, The Scottish Government, Arnold Clark, Scottish Power, Lidl & Jewson.

Sales office, workshop & secure yard in accessible town centre location

Description

2 EASTFIELD ROAD, DUMFRIES, DG1 2EQ

The subjects comprise a detached sales office and separate warehouse / workshop within a secure yard.

The sales office is of cavity construction, with facing brick external finish, surmounted by a mono-pitched metal clad roof. The building benefits from an external access ramp and double-glazed sales frontage & windows. The sales frontage and rear access door are secured by roller shutters.

The internal accommodation extends to an open-plan sales area, manager's office, staff kitchen & two toilets.

The warehouse / workshop is of steel portal frame construction, with masonry in-fill walls and corrugated fibre cement board clad roof. Features include natural daylighting, LED lamps, a vehicle inspection pit, staff canteen and staff toilet.

The unit has an internal eaves height of approx 3.85m (12ft 7ins). Vehicle access is via an electric roller shutter door, measuring around 4.00m (13ft 1ins) wide by 4.10m (13ft 5ins) high.

The yard has a concrete and tarmac surface and is secured by weld-mesh fencing. A vehicle wash with drainage interceptor lies adjacent to the warehouse / workshop.

From reference to online mapping software, we estimate that the total site extends to 0.35 Ac (0.142 Ha) or thereby.

FLOOR AREAS	m ²	ft ²
Sales Office	75.89	816
Warehouse / Workshop	294.71	3,172
TOTAL	370.60	3,988

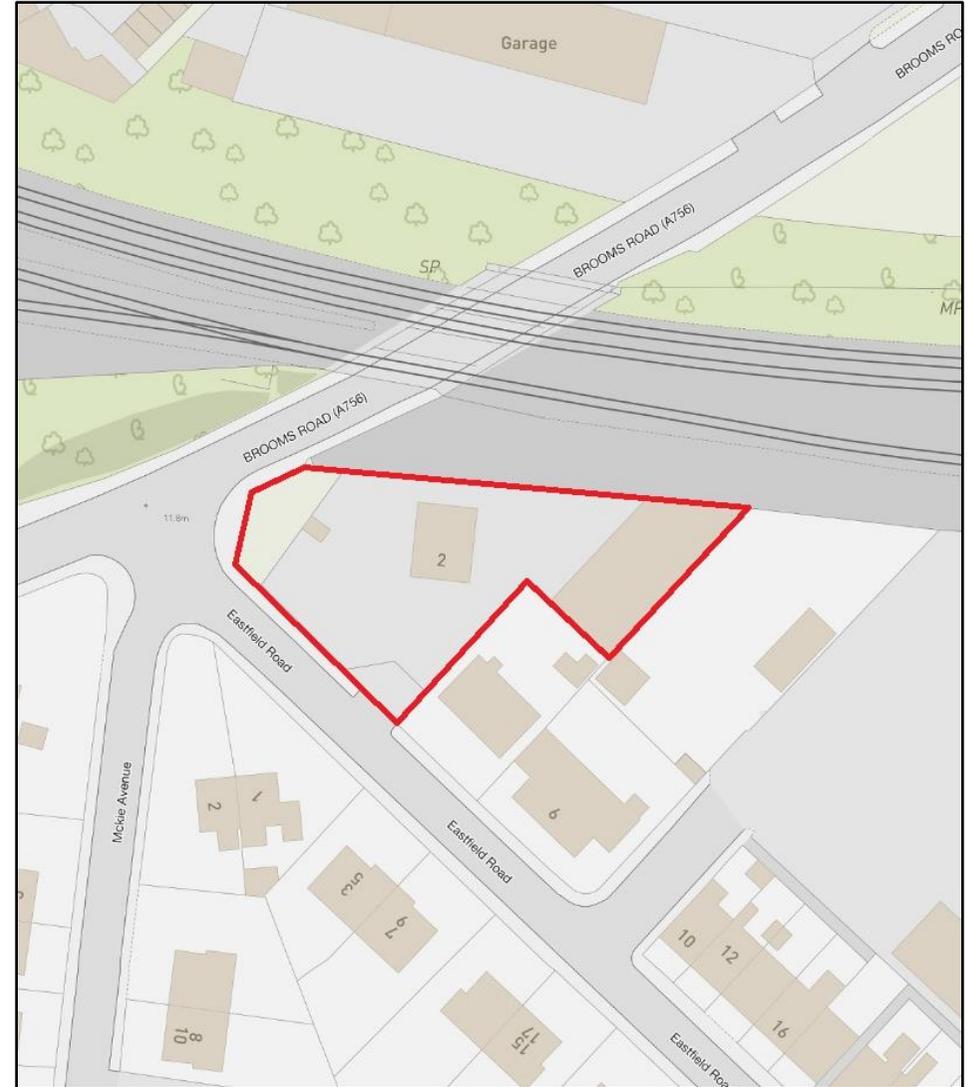

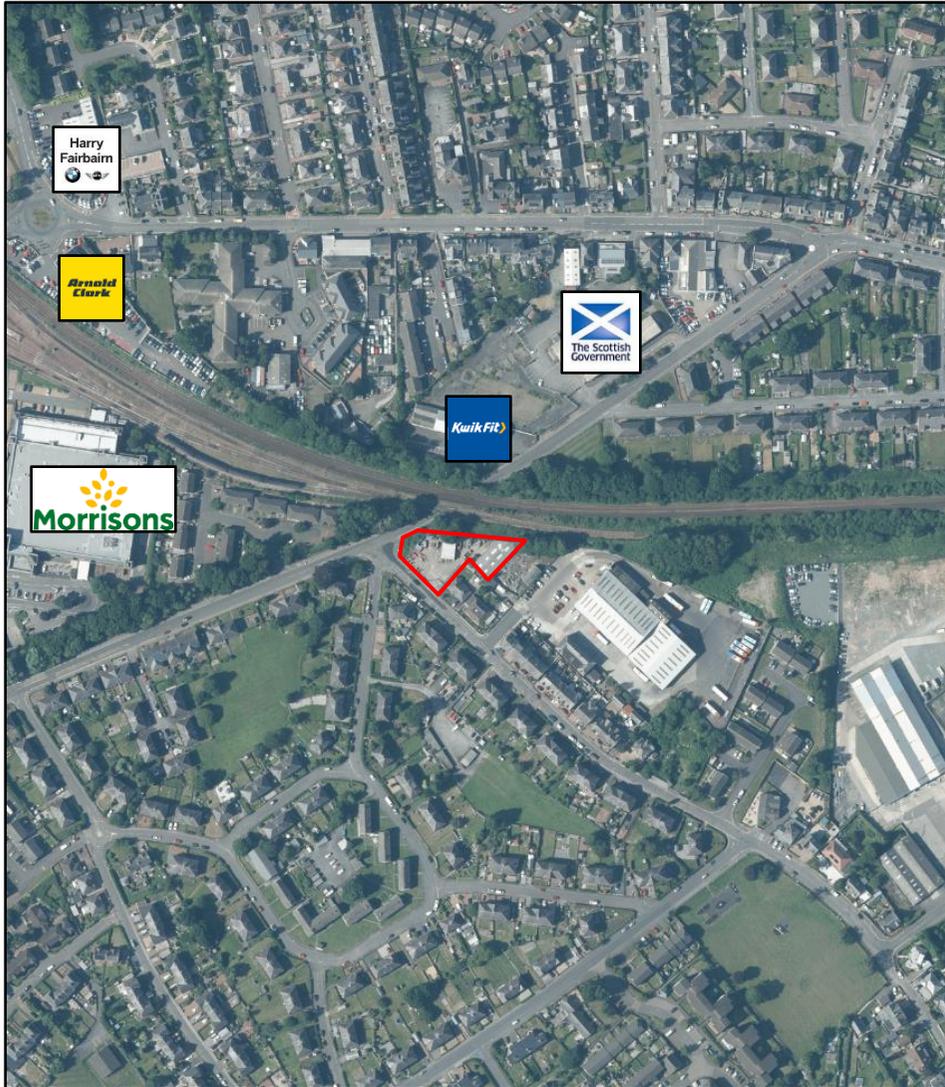

The above floor areas have been calculated from on-site measurements and are stated on a Gross Internal Area basis in accordance with the RICS Code of Measuring Practice (6th Edition).

ANTI MONEY LAUNDERING REGULATIONS

The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 came into force on the 26th June 2017. This now requires us to conduct due diligence not only on our client but also on any purchasers or occupiers. Once an offer has been accepted, the prospective purchaser(s)/occupier(s) will need to provide, as a minimum, proof of identity and residence and proof of funds for the purchase, before the transaction can proceed.
