# Location & Description

SHOP, KINTORE STREET, AUCHENBLAE, AB30 1XP

## Location

The subjects are situated within Auchenblae, a small village within a mixed residential/agricultural location, approximately 30 miles southwest of Aberdeen. The location gives quick access to the A90 dual carriageway and therefore the local/national road networks and is considered primarily a commuter location for Aberdeen or Dundee.

The subjects themselves are located on the east side of Kintore Street, between its junctions with Monboddoo Street and MacKenzie Avenue. The surrounding occupiers are predominantly residential in usage.

## Description

The subjects comprise the ground floor of a two-storey, end-terraced property. The building of which the subjects form part is of stonework construction, with a pitched slate roof over. To the front, the property has two timber framed, single glazed windows with access via a pedestrian door to the centre all with fascia signage over.

Internally, the property is divided to provide an open plan, 'L' shaped retail space, with storage and staff accommodation to the rear. The retail areas have suspended timber floors overlaid in lino and painted plasterboard lined walls and ceilings. Artificial lighting is provided via basic strip fittings throughout. A single WC completes the subjects.
