# Location

240 GREAT WESTERN ROAD, GLASGOW G4 9EJ

The subjects are situated on Great Western Road in Glasgow's West End. The area is a popular residential and retailing area which is conveniently situated just north-west of Glasgow City Centre

Great Western Road benefits from strong transport links with Junction 17 of the M8 motorway located 0.3 miles away, providing access to Glasgow's East End and Scotland's wider motorway network. St. George's Cross is located approximately 0.2 miles from the subject property and offers frequent services to Glasgow City Centre, with Exhibition Centre Train Station only 1.3 miles south providing services to Glasgow Central, Larkhall and Dalmeir.

The area has recently seen significant investment in the local community with Queen's Cross Housing Association developing 48 new 1 & 2 bedroom flats, due to be completed by 2027, directly behind the property.

More specifically, the subjects occupy a prominent position on the north side of Great Western Road, which offers high levels of passing footfall and vehicular traffic. The surrounding area benefits from a blend between residential and commercial operators including Sainsbury's, Wintergill's Bar and Caffè Nero.

# Description

240 GREAT WESTERN ROAD, GLASGOW, G4 9EJ

The subjects comprise of a mid terraced, ground floor and basement retail unit, forming part of a larger 4 storey tenement building, with residential dwellings on the upper floors. The property benefits from dedicated pedestrian access, protected by way of electric roller shutters, via Great Western Road.

Internally, the subjects consist of a large sales area on the ground floor, with suspended, insulated tiled ceiling incorporating tiled LED lighting and air conditioning throughout. Dedicated W/C and kitchen provisions are available on the ground floor. The subjects also benefit from a dedicated storage area to the rear with secure roller shutter access onto Napierhall Lane.

The basement consists of several large rooms which are currently being utilised as storage space by the existing tenant. The basement benefits from a mixture of carpet floor covering and concrete floors, as well as LED strip lighting incorporated throughout.
