Location

59 JAMES WATT PLACE, COLLEGE MILTON, EAST KILBRIDE, G74 5HG

The subjects are located within the town of East Kilbride, approximately 10 miles southeast of Glasgow City Centre, forming part of South Lanarkshire's council district.

East Kilbride benefits from excellent road links being approximately 4 miles east of Junction 5 of the M74 Motorway, which leads to the wider national motorway network. Hairmyres Train Station, located approximately 0.3 miles from the subjects, offers frequent services to Glasgow Central Station.

East Kilbride has recently undergone significant investment, with the East Kilbride to Glasgow Central train line being part of a major £144 million investment which was complete in December 2025. The improvements include the introduction of modern electric trains and newly accessible stations at Hairmyres and East Kilbride.

More specifically, the subjects occupy a prominent position on James Watt Place, held within College Milton Industrial Estate which acts as one of East Kilbride's premier industrial locations. The surrounding area consists of primarily industrial occupiers including ToolTime UK, Arnold Clark and Jewsons.

Description

59 JAMES WATT PLACE, COLLEGE MILTON, EAST KILBRIDE, G74 5HG

The subjects comprise a mid-terraced industrial unit of steel portal frame construction. The property benefits from both dedicated vehicular access via a steel roller shutter and a pedestrian entrance from James Watt Place.

Internally, the premises have been extensively refurbished to provide open-plan warehouse and storage accommodation. The property benefits from LED lighting, with natural lighting provided by way of glazed roof lights. A painted concrete floor offers ample storage capacity, supported by 4-meter clear eaves. W/C facilities and a kitchen preparation area are located towards the rear of the property.

A fire exit to the rear of the property leads to a shared yard space suitable for light storage.
