Location

11-15 CROMBIE ROAD, ABERDEEN, AB11 9QQ

The subjects are located on the north side of Crombie Road close to its junction with Victoria Road within a mixed industrial, commercial and residential location to the immediate south of Aberdeen city centre.

Crombie Road is just a short distance from Wellington Road(A956), a main arterial route providing access to the wider trunk road network, including the A90 and the Aberdeen Western Peripheral Route (AWPR).

This ensures good connectivity to both the north and south of the city, as well as regional and national transport routes.

Description

11-15 CROMBIE ROAD, ABERDEEN, AB11 9QQ

11 Crombie Road

Steel portal frame constructed industrial unit which has been clad externally in a mix of rendered blockwork and insulated composite panelling with a shallow pitched and insulated composite clad roof over.

The largest part of the ground floor space comprises a full height dry storage warehouse with an eaves of circa 4.6 metres. It has concrete floors and walls open to the inside face of the cladding. Off this are several additional storage spaces and a number of walk-in chiller/cold store units.

Adjacent to this, the remaining ground floor space provides a basic fish processing area which has low ceilings and walls/ceilings clad in wipe down insulated panelling. To the front are WC and kitchen facilities.

A concrete stair gives access to the first floor which provides a mix of large and small cellular offices together with storage facilities.
